[Excerpt from a discussion with Revered Late Baba Iqbal Singh Ji, Founder President of The Kalgidhar Trust, India with Berkley Center, USA]

The Berkley Center for Religion, Peace, and World Affairs at Georgetown University, created within the Office of the President in 2006, is dedicated to the interdisciplinary study of religion, ethics, and public life. Through research, teaching, and service, the Center explores global challenges of democracy and human rights; economic and social development; international diplomacy; and interreligious understanding.

Excerpt

Please expand on value-based education, and what it means to you and your work?

Broadly speaking, there are three types of education. The first type focuses only on literacy without any moral content. I believe the merely literate person is the most egoistic and selfish because he is taught no moral values and thinks only about himself. Most schools, colleges, and universities around the world, impart literacy and not value-based education.

The second type of education is value-based, where you combine literacy with moral, ethical, and religious instructions and which is far more holistic. An individual who has gone through this type of scholastic career starts to think about the needs of others and begins to see himself connected to them and has a very broad outlook.

The third type of education is the spiritualized education with divine wisdom for which you have no need to go to any school, because the divine knowledge of the universe springs from within. None of the prophets or the founders of the great world religions went to any University to learn the lessons about the divine. One only needs to delve into the scriptures of the great religions for this type of education.

Our organization combines spirituality with literacy (basic education) to impart value based education to students. As a result, our students are free from drug/substance abuse and the use of alcohol. They are thus able to focus their minds on study, sports, and the well-being of others around them. Value-based education is the real need of the day to produce good upright human beings, who can inspire others to tread on the divine path and serve mankind selflessly. The effects of value-based education have been far-reaching. Our students have helped to reduce tension in their homes by counselling their own parents. In some cases, they have succeeded to keep their parents from divorcing. We are convinced that value-based education is the best way to enable the society to move forward and to bring about sustainable development in the world. Through such education, we will be able to harness the energy of the youth and persuade them to work for the betterment of the world, which is now in turmoil.

Vice Chancellor's Message

A University with the Difference

ਇਹ ਹੈ ਪ੍ਰਗਟ ਹਮਾਰੀ ਕਾਸੀ। ਪੜ੍ਹ ਹੈ ਇਹਾਂ ਢੋਰ ਮਤਿ ਰਾਸੀ।
ਲੇਖਕ ਗਨੀ ਕਵਿੰਦ ਗਿਆਨੀ। ਬੁਧ ਸਿੰਧੂ ਹੈ ਹੈ ਇਤ ਆਨੀ॥

From here, great scholars will spread the divine message of Sri Guru Granth Sahib Ji among the people in the entire world in their respective languages resulting in universal peace and brotherhood:

Guru Gobind Singh ji, the tenth Sikh guru compiled the final version of Sri Guru Granth Sahib ji at Damdama Sahib, Talwandi Sabo in 1705 and prophesized that this place will manifest as Guru ki Kashi, a great center of teaching from where great scholars will emerge. About two centuries thereafter, Sant Attar Singh ji established a Gurmat Vidyalaya here as the first step in that direction. In 2015 establishment of Akal University at Talwandi Sabo by late Baba Iqbal Singh ji was culmination of the prophecy of the tenth guru. The mission and vision of the university is to provide high quality spiritual value based education leading to holistic development of youth who will then propagate the message of universal brotherhood and philosophy of interfaith wisdom enshrined in Sri Guru Granth Sahib Ji. The Akal University is now in its ninth academic session.

The Akal University has mandated to uphold the three basic principles of higher education namely: Teaching, Learning and Research. Consequently, the university has launched UG and PG honors and PhD programs in Life Sciences, Physical Sciences, Computational Sciences, Para-medical Sciences, Education, Languages, Arts and Management. A unique 3 year BA (Hons.) program in Sri Guru Granth Sahib studies is conducted, the first of its kind in country and abroad, which is essentially residential and fully free including boarding and lodging. The program aims at imparting learning of Guru Darbar Maryada, Sikh tenants and history, life and teachings of Sant Attar Singh ji and few other enlightened sages and comparative study of different religions in addition to the holy scripture Sri Guru Granth Sahib ji. Sri Guru Nanak Dev ji Chair of Excellence has been established to also undertake special task of translation of holy scripture in different languages so that seekers of spirituality from all over the world may get benefitted from the ocean of divinity.

Goal oriented course curriculum is designed for all programs. Choice based credit system, skill enhancement for as per market requirements, special free coaching for various competitive exams e.g. CSIR/UGC-NET, ICS, Bank PO; SSC etc. are our unique features. With state of the art ultra-modern infrastructure the university has smart class rooms, modern and well stocked library, elaborate CCTV network, excellent hostel facilities, sports and recreational facilities. Very liberal merit based and need based scholarships are key features offered to the students.

Highly qualified and experienced faculty for excellence in teaching and research is provided. An interactive mode of teaching and a dedicated teacher-mentor system assists students in resolution of any academic and personal issues. In addition, an effective expert counseling service is provided to motivate, guide and address personal problems of students.

Ensuring a drug-free, ragging free environment and a disciplined campus life is our philosophy. All efforts are made to inculcate spiritual, moral and ethical values in students to transform them into a responsible and decent human being.

Ethics

High Moral Values

ਸਚਹੁ ਓਰੈ ਸਭੁ ਕੋ ਉਪਰਿ ਸਚੁ ਆਚਾਰੁ ॥੫॥

Truth is higher than everything; but higher still is truthful living.
-Sri Guru Granth Sahib Ji, Ang 62

Our endeavour at Akal University is to help the students to discriminate between the valuable and the superficial in life. To help develop the critical ability to distinguish between essence and form, or between what is of value and what is superficial, in life – this ability is to be developed not for a narrow area or field of study, but for everyday situations in life, covering the widest possible canvas. To help students develop sensitivity and awareness; leading to commitment and courage to act on their own belief. It is not sufficient to develop the ability to discriminate, it is also important to be able to act on such discrimination in a given situation.

Drug Free Environment

ਮਾਣਸੁ ਭਰਿਆ ਆਣਿਆ ਮਾਣਸੁ ਭਰਿਆ ਆਇ ॥ ਜਿਤੁ ਪੀਤੈ ਮਤਿ ਦੂਰਿ ਹੋਇ ਬਰਲੁ ਪਵੈ ਵਿਚ ਆਇ ॥

One person (like the bartender) brings the intoxicant, another takes a cup from it; by drinking it he loses his power to think and acts as if mad; he is unable to distinguish the good from bad and is pushed away from the Master; by drinking it the Master is forgotten and one is punished in His court, do not take such a drink if it is within your power. (SGGS, Ang 554).

Punjab represents a sacred portion of India and has always stood witness to countless victories and triumphs. However, being a border state, it is known to serve as a conduit for drugs. The Akal University has zero tolerance for the drugs and alcohol in any form. All necessary steps are taken to keep environment at the campus drug free.

Healthy Vegetarian Food

“Non violence is very essential goal of evolution” is the highest ethic. Vegetarianism is an inalienable feature of a healthy lifestyle. The nature never made the human body carnivorous and our digestive system is not designed to digest meat. A vegetarian diet is much easier and healthier for our body. Therefore, we allow only vegetarian meals in university mess for our residents.
