“To establish permanent peace in the world through value based scientific education and spiritual rejuvenation creating good global citizens.”

MESSAGE FROM CHANCELLOR

I am honored to present the 9th Annual Report of our esteemed institution. As we gather to reflect on the achievements and challenges of the past year, I am filled with immense pride and gratitude for the dedication and resilience displayed by our university community.

This year, we continued to make strides in research and innovation, furthering our reputation as a center of knowledge creation and dissemination. Our faculty's scholarly contributions and our students' groundbreaking research projects have enhanced our global presence and impact.

Our commitment to diversity, equity, and inclusion remained steadfast. We took significant steps to create an inclusive campus environment, ensuring that every member of our community feels valued and respected.

Financial stability and sustainability have been at the core of our strategic planning, and I am pleased to report that our endowment has grown, enabling us to provide more scholarships and enhance the overall student experience.

I extend my heartfelt gratitude to our dedicated faculty, staff, students, and our invaluable alumni for their unwavering support. With your continued commitment, our university will continue to thrive, evolve, and excel.

I invite you to explore this report, celebrating our collective achievements and recommitting to the values that drive our institution. Together, we will shape a future that reflects the very best of our university.

Hon'ble Baba (Dr.) Davinder Singh Ji

MESSAGE FROM VICE-CHANCELLOR

Greetings!

It is with great privilege and pride that I present the 9th Annual Report of Akal University, covering the academic year 2023-24. Since our inception in 2015, the university has made remarkable strides, staying true to our vision and mission of combining modern scientific knowledge with state-of-the-art infrastructure, ensuring a safe and drug-free campus environment for our students.

This report is a testament to the unwavering commitment of our faculty, staff, and students. It encapsulates our accomplishments and developments. It is a detailed record of our academic and extra curricular activities that transpired over the course of the academic year, culminating on June 30, 2024.

We are especially thrilled to share our achievement of securing All India ranks in the UGC/CSIR-Net examinations. This accolade underscores our commitment to academic excellence and is a reflection of the dedication and hard work put in by our students and the guidance provided by our proficient faculty members.

The University's progress is not only measured by these rankings but also by the holistic development of our students, the thriving campus culture and our ongoing commitment to monitor the performance of our students. We have strived to nurture well-rounded individuals who are ready to face the challenges of the modern world.

As we move forward, the Akal University community will continue to uphold our vision and mission, ensuring that our students receive a well-rounded education and are prepared to contribute to society in meaningful ways. We thank you for your ongoing support and look forward to another year of growth and excellence.

Prof. Gurmail Singh
Vice-Chancellor

ABOUT THE UNIVERSITY

Fulfilling the Prophecy of Guru Gobind Singh Ji

ਇਹ ਹੈ ਪ੍ਰਗਟ ਹਮਾਰੀ ਕਾਸ਼ੀ। ਪੜ੍ਹਹੈ ਇਹਾਂ ਢੇਰ ਮਤਿ ਰਾਸੀ।
ਲੇਖਕ ਗਨੀ ਕਵਿੰਦ ਗਿਆਨੀ। ਬੁਧ ਸਿੰਧੂ ਹੈ ਇਤ ਆਨੀ॥
(ਗੁਰ ਬਿਲਾਸ ਪਾਤਸ਼ਾਹੀ ੧੦, ਅੰਗ: 361)

Three centuries ago, the tenth Master, Guru Gobind Singh Ji stayed at Talwandi Sabo, finalized the compilation of Guru Granth Sahib Ji and prophesied that this place will manifest as Guru Ki Kashi, the great Centre of teaching and learning from where the great scholars of Sikhism will emerge. About two centuries thereafter, establishment of Gurumat Vidyalaya by Sant Atar Singh Ji Maharaj was the first step in this direction. About a century thereafter, establishment of the Akal University, Talwandi Sabo under the leadership of Baba Iqbal Singh Ji, Baru Sahib Wale turned out to be the fulfillment of what the Tenth Guru prophesied about three centuries ago. The University has started its ninth academic session this year. The mission and vision of the University are not merely to impart literacy but also to provide high quality spiritual and value-based education leading to holistic development of students who will propagate the message of universal brotherhood and philosophy of interfaith wisdom enshrined in Sri Guru Granth Sahib Ji.

Magnificent building with ultra-modern facilities for teaching and research is the hallmark of the University. Wi-Fi campus, well equipped modern labs, internet linked smart class rooms, high tech well stocked library facilities, CCTV cameras for special security of girl students, modern residential accommodation for teachers and separate hostel facilities for boys and girls, 100% healthy pure vegetarian diet, centralized RO system on all drinking water coolers, well-functioning University transport services for staff and day scholars, drug free campus, sports and recreational facilities for boys and girls along with a special fee concession upto Rs.1,00,000 per year for meritorious students is the key features of the education system in the University.

The University has designed goal-oriented course curriculum. The unique features of these include choice-based credit system, market-oriented skill enhancement courses, special coaching classes for UGC-NET, ICS, Bank PO, SSC, UPSC, NDA and other competitive exams. The University has adopted English medium for teaching and examination of the students. The University endeavors to enhance the communication skills of the students by making special efforts on improving the knowledge of English language. The University also has an established English Language Lab to improve the writing & communication skills of all the students.

Unlike many educational institution that have commercialized the higher education by operating as business ventures, the Akal University has mandated to uphold the three basic principles of higher education namely; Teaching, Learning and Research. Accordingly, the University has introduced Undergraduate and Postgraduate Honours courses and Ph.D programmes in basic sciences and languages namely Mathematics, Physics, Chemistry, Botany, Zoology, Psychology, Economics, Commerce, English, Social Science, Education and Punjabi. The University also offers BCA, B.Tech. (CSE), MBA, Paramedical Science and four year Integrated B.Sc.-B.Ed./B.A.-B.Ed programs.

Offering the three years Bachelor of Arts (Honours) Degree in Sri Guru Granth Sahib Studies is a unique programme of the University, probably first of its kind offered by any university in the country and abroad. The programme is fully residential and totally free including fee, boarding and lodging charges. The course aims not only to impart complete learning of the Holy Scripture but also to teach Guru Darbar Maryada, Sikh tenets, Sikh history and life and teaching of Sant Atar Singh Maharaj Mastuane Wale along with the teachings of many other enlightened sages from different sects and religions around the world. Comparative study of different religions is an integral parts of the course.

To strive for excellence in teaching and research, all faculty members are UGC qualified with exceptional academic records and have earned their Doctorate degree from top universities and institutions. Besides following students-teacher interactive mode of teaching, each student has been assigned a teacher as their mentor to take tutorials and to resolve their academic and personal

problems. There is special provision of counselors to motivate, guide and address the day-to-day personal issues and problems of the female students.

The University has a firm resolve to provide a drug free environment and to create a disciplined campus life. In tune with the philosophy of Kalgidhar Trust, Baru Sahib, all efforts are being made to inculcate spiritual, moral and ethical values in the students to make them decent human beings and responsible citizens.

In due course, the University plans to start the great work of translation of the holy scripture in different languages of the world so that the seekers of spirituality from all over the world may submerge themselves in the ocean of divinity and *Parmarth* and find the path of ultimate salvation enshrined in the holy scripture of Sri Guru Granth Sahib Ji and blessed by the tenth Guru Sri Gobind Singh Ji Maharaj.

IMPORTANT DAYS CELEBRATED

CONVOCATION

Akal University organized its Third Convocation ceremony in the University Auditorium on 21st May 2024. The opulent event was graced by the Chief Guest Baba (Dr.) Davinder Singh Ji; Chancellor of Akal University and President, Kalgidhar Trust/Society presided over the event. Special Guests Col (Retd) Dr. Rajinder Singh, Dr. Neelam Kaur, (Advisor Health and Education, KTS, Professor AIIMS, Bathinda). The function commenced with an academic procession walking into the auditorium to the thunderous applause of graduate participants of the convocation. The programme started with recitation of Shabad:-

ਵਿਦਿਆ ਵੀਚਾਰੀ ਤਾਂ ਪਰਉਪਕਾਰੀ॥ਜਾਂ ਪੰਚ ਰਾਸੀ ਤਾਂ ਤੀਰਥ ਵਾਸੀ॥੧॥

(When one reflects on the real purpose of education, then one becomes a philanthropist).

The Vice-Chancellor welcomed the guests, parents, and graduates on this auspicious occasion and congratulated the parents and the degree recipients. Highlighting the historical significance, he shared how the University continuously marches ahead with its vision and mission of blending modern scientific knowledge with skills and spiritual values for the holistic growth and development of the students. The dynamic and outstanding faculty, modern state of the art infrastructure, safe and drug-free campus, continuous monitoring and evaluation of students through Monday tests, feedback of all stakeholders, were also highlighted in his speech. He emphasized how the University makes the students shine brighter in the competitive world by giving them coaching for Indian Civil Services, CSIR/UGC-NET, and other competitive examinations. He also highlighted the achievements students who have secured high ranks in the National level exams such as CSIR-NET/JRF. It is a proof of academic excellence at Akal University.

Chief guest Baba (Dr.) Davinder Singh Ji in his presidential address emphasized that today's event is the outcome of what was envisioned by Sant Attar Singh Ji Maharaj in 1906 and was redefined by his disciple Sant Teja Singh Ji Maharaj. Sant Attar Singh Ji had the vision of establishing an education system synergizing with the spiritual and scientific education to establish permanent peace in the world. Baba (Dr.) Davinder Singh Ji guided the graduating students to follow that vision. He reminded graduating students that the University today is conferring upon them the degrees that not only express your achievements in academics but also bestowing upon them all the mission of Kalgidhar Trust to establish peace in the World. He reminded the Shabd of Guru Nanak Dev Ji that 'Parupkar' is the core criterion differentiating educated and literate people. He further addressed the Students by saying, "The mission of your awarding degree by the University shall only be accomplished if it does not inflate your egos but enables you to shed your attachments, greed, and vanity and motivates you

to imbibe kindness, Upkar (philanthropy), and compassion. Only then,” Baba Ji’ culminated his speech, “your mission of worldly journey would be accomplished.” (“Safal Safal Bhaee safal Jaatraa, Aavan Jaan Rahe Mile Saadhaa”). He congratulated the students on being educated, earning degrees and acquiring divine wisdom from Guru-Ki-Kashi, Akal University.

Thereafter, Dean Academic Affairs, Major Gen. G.S. Lamba, administered the graduation pledge ceremony. The Chief Guest awarded University medals to 16 toppers in various courses and Chancellor medal to one student. Total 87 postgraduates and 242 graduates in various streams walked magnificently to the stage in their convocation robes and were conferred their degrees. The convocation ceremony which was celebrated with enthusiasm and positivity, was formally closed with a formal vote of thanks proposed by the Dean Academic Affairs, Major Gen. G.S. Lamba. He congratulated all the graduates and their parents for getting medals and degrees. He expressed gratitude to all the invited dignitaries, management, faculty, other staff members, media persons and other stakeholders for their cooperation and contribution in the successful organization of the convocation. The ceremony closed with the National Anthem and all the graduates went back home with flying colours.

Firing Practice at NCC Ghudha

One of the major objectives of the NCC is to instil discipline in the youth. Making the same compulsory for school students will contribute significantly in fostering a sense of responsibility and order. As General Colin Powell rightly said, "There are no secrets to success. It is the result of preparation, hard work and learning from failure." As a part of NCC training the firing practice for the annual training camp of NCC cadets (SEM:III and V) was conducted by the battalion at 2 PB R&V SQN NCC Ghudda on 8 August 2023. The purpose of this practice was to enhance the

marksmanship skills of our cadets and ensure their proficiency in handling firearms safely and effectively. Prior to the exercise, all cadets underwent a comprehensive briefing on safety procedures, including the handling of firearms, proper stance, target acquisition, and emergency protocols. They were also reminded of the importance of strict adherence to safety guidelines throughout the practice session. Cadets were provided with .22 rifles for the practice. All firearms were thoroughly inspected for safety and functionality before distribution. Cadet performance was assessed based on accuracy, consistency, and adherence to safety guidelines. Instructors provided feedback and corrective measures to improve performance.

Meri Maati Mera Desh

The Indian government initiated a program to commemorate the 75th anniversary of Indian Independence Day in 2023. This year, the Independence Day celebration was themed as "Meri Maati Mera Desh" with the phrase "Mitti ko naman, veeron ka vandan." The event commemorated the numerous accomplishments of the country. The main objective of this campaign was to commemorate and show respect to the brave heroes, freedom fighters, and heroic women who played significant roles during the Indian independence movement. As a part of these celebrations NCC unit at Akal University orchestrated an array of events including tree plantation drives along with pledge taking ceremony. The main objective of the "Meri Maati Mera Desh" ceremony is to cultivate a sentiment of patriotism, solidarity, and civic duty among individuals. On August 16th, 2023, a pledge taking ceremony was conducted as an expression of dedication to the preservation of fundamental principles such as freedom, democracy, and unity, with the aim of advancing the progress and welfare of the nation. During the pledge taking ceremony, cadets express their reverence for the brave heroes, freedom fighters, and courageous women who played significant roles in the Indian freedom movement. The Meri Maati Mera Desh pledge is a powerful expression of our love and dedication towards our motherland. It serves as a constant reminder of our responsibilities as citizens and the role we play in shaping the destiny of our nation. By upholding the ideals of this pledge, we can contribute to the progress, unity, and prosperity of our beloved India.
