Shriomani Panth Rattan,
Padma Shri Late Baba Iqbal Singh Ji
(1926-2022)

The great visionary of 20th century
(Sant Attar Singh ji Maharaj)
had a vision that modern scientific education alone
will not serve the humanity well, until and unless
it is amalgamated with Brahm Vidya
(Spiritual Education)

OUR MISSION

“To establish permanent peace in the world through
value based scientific education and
spiritual rejuvenation creating good global citizens”

Honorable (Dr.) Davinder Singh Ji
MBBS, MD

CHANCELLOR

Three centuries ago, the tenth Master, Guru Gobind Singh Ji stayed at Talwandi Sabo, finalized the compilation of Guru Granth Sahib Ji and prophesied that this place will manifest as Guru Ki Kashi, a great Centre of teaching and learning from where will emerge great scholars of Sikhism. About two centuries thereafter, establishment of Gurumat Vidyalaya by Sant Attar Singh Ji Maharaj was the first step in this direction. About a century thereafter, establishment of Akal University, Talwandi Sabo under the leadership of Padma Shree Late Baba Iqbal Singh Ji was culmination of what the tenth Guru prophesied about three centuries ago. The vision statement enunciated by the Sant Attar Singh Ji Maharaj, objectified creation of outstanding human beings who could spread the message of love and spiritual brotherhood not only in this country, but in the entire world. 'Sanskar Nirman' is the 'Mantra' which the founding fathers had proposed to be the foundation on which the educational edifice of this institution was to rest.

The campus, with its beautiful diversity of students from all over the region, provides ample opportunity to young boys and girls to express themselves uninhibitedly and evolve into outstanding human beings who have nerves of steel and at the same time possess unlimited patience, forbearance, tolerance and love for the entire humanity.

“Grow in **Excellence**, Lead with **Values**”

Prof. Gurmail Singh

VICE-CHANCELLOR

A University with the Difference

ਇਹ ਹੈ ਪ੍ਰਗਟ ਹਮਾਰੀ ਕਾਸੀ। ਪੜ ਹੈ ਇਹਾਂ ਢੋਰ ਮਤਿ ਰਾਸੀ।
ਲੇਖਕ ਗਨੀ ਕਵਿੰਦ ਗਿਆਨੀ। ਬੁਧ ਸਿੰਧ ਹੈ ਹੈ ਇਤ ਆਨੀ॥

From here, great scholars will spread the divine message of Sri Guru Granth Sahib Ji among the people in the entire world in their respective languages resulting in universal peace and brotherhood:

Three centuries ago, the tenth Master, Shri Guru Gobind Singh Ji stayed at Talwandi Sabo, finalized the compilation of Guru Granth Sahib Ji and prophesied that this place will manifest as Guru Ki Kashi—a great Centre of teaching and learning from where will emerge great scholars of Sikhism. About two centuries thereafter, establishment of Gurumat Vidyalaya by Sant Attar Singh Ji Maharaj was the first step in this direction. About a century thereafter, establishment of Akal University, Talwandi Sabo under the leadership of Padma Shree Late Baba Iqbal Singh Ji Baru Sahib Wale was culmination of what the tenth Guru prophesied about three centuries ago. The University has started its twelfth academic session this year. The mission and vision of the University is not merely to impart literacy but also to provide high quality spiritual value-based education leading to holistic development of complete human beings who will propagate the message of universal brotherhood and philosophy of interfaith wisdom enshrined in Sri Guru Granth Sahib Ji

Unlike most of the educational entities having commercialized the higher education by operating like business ventures, the Akal University has mandated to uphold the three basic principles of higher education namely; Teaching, Learning and Research. Consequently, the University has started with Undergraduate and Postgraduate Honours/Honours with research Programmes and Ph.D programmes in basic sciences and languages namely Mathematics, Physics, Chemistry, Life Sciences, Psychology, Economics, Social Sciences, Commerce, Computer Science, Education, English and Punjabi. The University also offers BCA(Hons.): Graphic Design & Web Development, AI-ML, Data Analytics, B.Tech (Hons) : CSE AI-ML & Data Science, Cyber Security, Bachelor of Physiotherapy, BBA (Hons.)- Data Analytics, B.Sc-Medical & Non-Medical, MBA-Data Analytics and four year BA-B.Ed, MCA, M.A. History, Political Science.

Offering the four years Bachelor of Arts (Honours) Degree in Sri Guru Granth Sahib Studies is a unique programme of the University, probably first of its kind offered by any university in the country and abroad. The programme is fully residential and totally free including fee, boarding and lodging charges. The course aims not only to impart complete learning of the Holy Scripture but also to teach Guru Darbar Maryada, Sikh tenants, Sikh history and life and teaching of Sant Attar Singh Maharaj Mastuane Wale and other enlightened sages from different sects and religions of the world. Comparative study of different religions is an integral part of the course.

Magnificent building with ultra-modern facilities for teaching and research is the hallmark of the University. Wi-Fi campus, well equipped modern labs, free OPD services in Physiotherapy, internet linked smart class rooms, high tech well stocked library facilities, CCTV cameras for special security of girl students, modern residential accommodation for teachers and separate hostel facilities for boys and girls, 100% healthy pure vegetarian diet, well-functional University transport services for staff and day scholars, drug free campus, sports and recreational facilities for boys and girls, and special fee concession upto Rs.1,25,000 per year per meritorious student are key features of the education system at the University.

The University has designed goal oriented course curriculum. The unique features of the same include implementation of NEP-2020, National Credit Framework, market oriented skill enhancement courses, special coaching classes for CSIR/UGC-NET, UPSC CSE, Super 30 IAS/IPS Batch, Entrepreneur mindset and other competitive exams. The University adopted English medium for teaching and examination of the students. The University endeavors to enhance the communication skills of the students by making special efforts on improving the knowledge of English language. The University has also established English Language Lab to improve the writing & communication skills of the students.

To strive for excellence in teaching and research, all faculty members are UGC qualified with exceptional academic records and have earned their Doctorate and Post-Doctorates from top universities and institutions. Besides following students-teacher interactive mode of teaching, each student has been assigned a teacher mentor to take tutorial and to resolve his/her academic and personal problems. There is special provision of counselors to motivate, guide and address personal day to day issues and problems of the girl students.

The University has a firm resolve to provide a drug free environment and to create a disciplined campus life. In tune with the philosophy of the Kalgidhar Trust, Baru Sahib, all efforts are being made to inculcate spiritual, moral and ethical values in the students to make them decent human beings and responsible citizens.

In due course, the University plans to start the great work of translation of the holy scripture in different languages of the world so that the seekers of spirituality from all over the world may submerge themselves in the ocean of divinity and parmarth and find the path of ultimate salvation enshrined in the holy scripture of Sri Guru Granth Sahib Ji and as blessed by the 10th Guru, Shri Guru Gobind Singh Ji.

High Moral Values

ਸਚਹੁ ਓਰੈ ਸਭੁ ਕੋ ਉਪਰਿ ਸਚੁ ਆਚਾਰੁ ॥੫॥

Truth is higher than everything; but higher still is truthful living.

-Sri Guru Granth Sahib Ji, Ang 62

Our endeavour at Akal University is to help the students to discriminate between the valuable and the superficial in life. To help develop the critical ability to distinguish between essence and form, or between what is of value and what is superficial, in life – this ability is to be developed not for a narrow area or field of study, but for everyday situations in life, covering the widest possible canvas. To help students develop sensitivity and awareness; leading to commitment and courage to act on their own belief. It is not sufficient to develop the ability to discriminate, it is also important to be able to act on such discrimination in a given situation.

Discipline

Every student admitted to the Akal University pledges to observe willingly all the Rules and Regulations promulgated by the university and to uphold and respect the principles on which the university is founded. Any student who breaks the pledge, will forfeit the membership of the university. All Sikh students are expected to follow the Sikh religious way of life and are required to maintain 'Sabat Soorat' i.e. keep their hair unshorn (intact) on their body. Any deviation from the above will lead to strict action which may also lead to expulsion.

Drug Free Environment

ਮਾਣਸੁ ਭਰਿਆ ਆਣਿਆ ਮਾਣਸੁ ਭਰਿਆ ਆਇ ॥ ਜਿਤੁ ਪੀਤੈ ਮਤਿ ਦੂਰਿ ਹੋਇ ਬਰਲੁ ਪਵੈ ਵਿਚ ਆਇ ॥

ਆਪਣਾ ਪਰਾਇਆ ਨ ਪਛਾਣਈ ਖਸਮਹੁ ਧਕੇ ਖਾਇ ॥ ਜਿਤੁ ਪੀਤੈ ਖਸਮੁ ਵਿਸਰੈ ਦਰਗਹ ਮਿਲੈ ਸਜਾਇ ॥

ਝੂਠਾ ਮਦੁ ਮੂਲਿ ਨ ਪੀਚਈ ਜੇ ਕਾ ਪਾਰਿ ਵਸਾਇ ॥

One person (like the bartender) brings the intoxicant, another takes a cup from it; by drinking it he loses his power to think and acts as if mad; he is unable to distinguish the good from bad and is pushed away from the Master; by drinking it the Master is forgotten and one is punished in His court, do not take such a drink if it is within your power. (SGGS, Ang 554).

Punjab represents a sacred portion of India and has always stood witness to countless victories and triumphs. However, being a border state, it is known to serve as a conduit for drugs. The Akal University has zero tolerance for the drugs and alcohol in any form. All necessary steps are taken to keep environment at the campus drug free.

Healthy Vegetarian Food

“Non violence is very essential goal of evolution” is the highest ethic. Vegetarianism is an inalienable feature of a healthy lifestyle. The nature never made the human body carnivorous and our digestive system is not designed to digest meat. A vegetarian diet is much easier and healthier for our body. Therefore, we allow only vegetarian meals in university mess for our residents.
